

Transitional Housing Program

Upcoming 2010 Orientation Dates

- *Attendance to a THP orientation does not need to be scheduled, you can just show up.
- *Orientations last about 30 minutes to an hour. Sign in on the signup sheet is mandatory to show that you attended, which will be reflected in your housing application file.
- *Do you have children? Please bring them with you! We do not have daycare, but they are more than welcome to attend with you.
- *If an orientation is cancelled, the Admissions Case Manager will have that information on her voicemail (x 181) on the day of orientation, and also it will be posted on the Goldberg Room door and at the 3rd floor reception desk.
- *All orientations are done in the Goldberg Room on the 2nd floor of CYS and signs will be posted the day of orientation.
- *All Wednesday orientations start at 12:00 pm and it is okay if you arrive late, still come in and ask questions after the presentation is over. Things happen so if you've made it as far as CYS, come on in!
- *All Tuesday night orientations (last Tuesday of each month) start at 7pm. Because the building is closed after 5pm on weekdays, you must be waiting at the front or back doors of CYS by 6:55 pm. I unlock to let attendees in the doors at 6:55 pm and then the doors will be relocked right afterward.
- *Refreshments (coffee/water), small snacks and community resource information will be available for attendees to take.
